

# MINUTES

## CEMETERY BOARD MEETING

April 13, 2023

CITY HALL

5:00 p.m.

Present: Lee Vohland, Joan Hemmerling, Nicole Schuster, Heather Smallcomb, Karl Borden, Melody Rockefeller, Dustin Eutsler, and Pam Rasmussen.

Lee Vohland called the meeting to order at 5:00 p.m. at City Hall and advised those present of the Open Meetings Act and the board abides by it when conducting business.

The Board reviewed the Minutes from the March 2023 meeting. Joan Hemmerling made a motion to approve the minutes. Karl Borden seconded the motion. Motion carried.

The Board reviewed the bills. Heather Smallcomb motioned to approve the bills. Melody Rockefeller seconded the motion. Motion carried.

Dustin Eutsler went over the new signs and their placement at the cemetery. He showed the board one of the signs and explained how they would be placed on a post to see both sides. Much like a street sign. He let the Board know Mike Stalder began working on Monday for the summer.

Pam Rasmussen has a request from the Mercer family about putting several names on a headstone. They would purchase a lot and place a headstone and would like to put names and birth/death dates on it however there would not be any burials in the cemetery as they would choose a different method of burial but would want the record at the cemetery and on the headstone. After some discussion Karl Borden motioned to approve Mercers request to allow several names on a headstone, seconded by Melody Rockefeller. Motion carried.

Pam Rasmussen let the Board know there have been security cameras placed at the cemetery.

Dustin Eutsler asked the Board about getting flags for all branches of the military to place in a half circle around the large American flag near the speaker stand. The Board agreed that would be a nice addition to the area. He will look into it after Memorial Day as it wont get done prior to that.

Dustin Eutsler is working on getting the road back into shape and will have graveled prior to Memorial Day. He also let the Board know the water is on and the system is working.

With no other business Lee Vohland adjourned the meeting at 5:19 p.m. The next regular Board meeting will be May11, 2023 @ 5:00 p.m. at the City Hall.
