Gailen Kotrous with Worley Monument gave a presentation on columbarium. The structure would hold 96 cremations with 48 on each side. It would look identical to the present structure. His estimate was \$27,400.

Lot development: Pam Rasmussen went over the remaining lots that are available for sale and possible placement of a new columbarium to the west of the current structure. There is a need for more regular burial spaces and the board needs to look at expanding along with the columbarium. There will be other needs with an expansion. The well will need to be address along with the costs of plating the lots. Dustin Eutsler will get estimates on the well and Pam Rasmussen will talk with Olssons to get estimates on plotting lots as they done the Babcock area a few year ago.

Sign Location: Lee Vohland talked with current land owner Ben Turek about placing the cemetery sign along Hwy 30 on his property. With state setback regulations we will need to see if this is will work. Will set up a time to meet at the property.
