

Kiosk Directory

Record Keeping information

- Records will be kept and maintained at Gibbon City Hall.
- Lot owners are reminded to include their cemetery lots in their will.
- Deed holders may transfer lots or spaces with proper paper work done at City Hall and a \$5.00 filing fee.
- Deed holders may file a burial release form to authorize a non specified burial in a space.
- No spreading of ashes allowed.
- If space has been purchased and monument has been placed and engraved with deceased death date but no burial has been done the cemetery would like to have record of date of death.

Decorations

- Memorial Day decorations not attached to the headstone are to be removed after 1 week. Decorations not removed will be disposed of.
- One shepherd's hook is allowed per lot, however not at each space.
- No planting of trees, shrubs or flowers.
- No flag or flower holders allowed on niche cover or columbarium structure.

*** Riverside Cemetery or The City of Gibbon is not responsible for theft of flowers or damage caused by the elements of weather. Also not responsible for damage to decorations that are left upon the monuments apron.**

The Riverside Cemetery shall take reasonable precaution to protect the lot owners, and the property rights of the lot owners, within the Cemetery, from the loss or damage; but it hereby disclaims all responsibilities for loss or damage from causes beyond its reasonable control and especially from damage caused by the elements, act of God, explosions, thieves and vandalism.

Gibbon Riverside Cemetery located just north west of Gibbon on approximately 20 acres. The first burial was in March 1876. The cemetery is divided into 3 sections—Graceland, Faith Garden and Babcock. This beautiful cemetery is the peaceful resting place for many.

Every Memorial Day the nation's soldiers are honored during the annual Memorial Day service. This ceremony is such a glorious heartfelt program not only local families attend but people from all over the U.S. The Cemetery is so beautifully decorated with flags, flowers and memorials. The Cemetery Board and the City of Gibbon take great pride in the well kept cemetery. We thank you for your interest in the Riverside Cemetery.

Columbarium

Columbarium Information & Regulations

- Each niche measures 11 15/16 x 11 15/16 x 11 15/16.
- Niche will accommodate 2 small urns.
- Urns must be permanently sealed and made of non-breakable, non-decomposing material. Riverside Cemetery is not liable for breakage or damage to non compliant urns.
- Niche will be permanently sealed when entire four-niche group is filled.
- Engraving on niche cover is not allowed. Plaques must be used. Plaque size must measure 5 1/2" x 8 1/2" per interment per niche. Deed holder will be responsible for plaques, engraving plaques and placement by a qualified monument company.

Soldiers Monument

Monuments

Setting Fee \$20.00

- Monument Company is to call City Hall at least 2 days prior to placement of the stone.
- Cement apron must be at least 7 inches wider than the base of the monument. The apron is the monuments protection for the maintenance of the grounds.
- If two markers are closer than 24 inches to each other, an apron must connect the two stones
- All stones are to be set in the headstone row
- No foot stones or foot markers are allowed
- When a monument company is placing a government marker, it should make a hole in the cement apron for the service standard, which will be placed at the side of the marker.
- The monument company can set metal vases in the apron but only at the sides of the marker and must be 7" from the edge.
- No temporary markers of any kind allowed
