Buffalo County Sheriff Department—Contract Law Enforcement Report: Captain Anderson reviewed the monthly activity report. The CSO has been trying to notify residents living on the snow routes about parking during snow removal. They have not had to tow any vehicles this month. The department is tentatively making plans to get another speed trailer. They would like to store it in Gibbon so we would not have to pull it back and forth each time we use it. Tonight, we are holding an active shooter training at the school with the BCSD, GVFD, and school staff. They have a new deputy starting today his name is Logan Miller. They are up to full staff. Council Member Stall said the school held their prom on Sunday, and he was very pleased to see the deputy stop in during the dance several times. Council Member Clevenger said he appreciated the P2C program the department has brought online.
