City Attorney Report--Barry Hemmerling: Barry had been in communications with the DEQ and Attorney General's office about the WWTP violations from previous years. All the violations have been corrected and we can probably expect another inspection.

City Administrator Report--Chris Rector: There will be a pre-bid meeting on the lagoon project tomorrow, January 23, 2019 at 10:00 a.m. and plan to have bid opening on February 6, 2019. The water department has a leak in the alley near Niles Street. Matt and Chris have been looking at a replacement blower at the WWTP. It's been a challenge to find one that fits where the previous blower was placed. That blower was 20 years old and had already been rebuilt once. They will continue to search for a solution.
